

# NALYTC

## *Legal & Compliance Information*

*Effective as of [Insert Date]*

### **Privacy Policy**

#### **(Data Protection Commitment)**

At Nalytc, we take data protection seriously.

We collect only the information necessary to deliver our services effectively — such as contact details and technical environment data — for support and optimization purposes.

We do **not** sell or share your personal information with third parties without your consent, unless legally required to do so.

All data is securely stored and processed in accordance with the **General Data Protection Regulation (GDPR)** and applicable international privacy laws.

#### **Your rights include:**

- Accessing your personal data
- Correcting inaccurate information
- Requesting deletion of your data

For privacy-related requests, contact:

Email: [privacy@nalytc.com](mailto:privacy@nalytc.com)

## Terms of Service

### (Service Usage Guidelines)

By using NALYTC's infrastructure and services, you agree to the following conditions:

- Services are provided on a best-effort basis with defined SLAs where applicable.
- You must not use our systems for:
  - Unlawful activities
  - Spamming or exploitation
  - Unauthorized access attempts
- All configurations and architecture details provided by NALYTC remain confidential.
  - These must not be reverse-engineered or redistributed.

We reserve the right to **limit or suspend access** in cases of:

- Misuse
- Breach of terms
- System compromise

For full terms or custom agreements, please contact:

Email: [legal@nalytc.com](mailto:legal@nalytc.com)

## **Acceptable Use Policy**

NALYTC services must be used in a manner that is **ethical, lawful**, and aligned with their intended purposes.

### **Strictly prohibited activities include:**

- Distribution of malware or phishing
- Hosting or sharing illegal content
- Unauthorized access or penetration testing without written consent
- Misrepresentation of NALYTC's services or infrastructure

NALYTC actively monitors for abuse and retains the right to **terminate access** for any violations.
